Sir:

**PETITION TO REVIVE ABANDONED APPLICATION UNDER 37 C.F.R. 1.137(a)**

Applicant hereby petitions the Honorable Commissioner of Patents and Trademarks to revive the above application and withdraw the holding of abandonment under the provisions of 35 U.S.C. §133 and 37 C.F.R. 1.137(a).

This application was filed on November 5, 2003 as a divisional of application Serial No. 09/761,699, filed January 18, 2001. Abandonment of the application subsequently resulted from applicant's failure to file a response by January 28, 2005 to the Office communication of December 28, 2004. Applicant's failure to do so, however, was unavoidable because the Office communication was never received by applicant or his attorney. Applicant therefore requests revival of the application and withdrawal of the holding of abandonment in view of Delgar, Inc. v. Schuyler, 172 U.S.P.Q. 513 (D.C.D.C. 1971) in which such a remedy was granted under analogous facts.

On or about July 8, 2005, the undersigned received a telephone call from Examiner Kruer asking if it was applicant's intention not to reply to the Office communication of December 28, 2004. Upon checking the docket records and the file, the undersigned informed the Examiner that the firm had no record of receiving the communication and requested a copy of the communication by facsimile. A copy of the communication is attached as Exhibit A.

Subsequent to this conversation with the Examiner, a Notice of Abandonment dated July 12, 2005 was received. The Notice indicated the application was abandoned for failure to timely file a reply to the Office letter mailed on 28 December 2004.

Enclosed as Exhibit B is a copy of the Patent Prosecution History of this case as set forth in the docket records of the undersigned firm as of the date of the issuance of the Notice of Abandonment. This history shows the attorney for the application is "ASG," which are the undersigned's initials and the firm's internal reference for the case, which is 03438-0064-01. As can be seen, there is no entry as of July 12, 2005 showing receipt of the Office communication of December 28, 2004 or of the indicated due date for reply which would have been January 28, 2005.

In addition to monthly reminders, reminders are also distributed in the undersigned's firm on a daily basis. Attached as Exhibit C is a copy of the firm's daily docket reminders for all attorneys for January 28, 2005, the original due date for filing a response to the communication. As can be seen, here also there is no entry for reference number 03438-0064-01 for any reply due on January 28, 2005.

Finally, enclosed as Exhibit D is a copy of a daily log kept by the undersigned's firm for the days of December 28, 2004 to January 11, 2005; the next two weeks

following the apparent mailing of the Office communication on December 28, 2004. As can be seen from a thorough review of this log, there is no record that the Office communication was ever received in the offices of the undersigned's firm. Because the Office communication was never received, no reply was ever filed and the case became abandoned.

To this day, the original copy of the Office communication of December 28, 2004 has not been received despite the fact there does not appear to be any problem with the printed address label. Though the undersigned's firm has subsequently moved to new offices, this was the correct address of the firm at the time in question. Moreover, all mail with that address is automatically being forwarded to the firm's new address.

It is therefore believed that the entire delay in filing the required reply from the due date for the reply until the filing of this petition was unavoidable.

Enclosed as required by Rule 1.137(a)(1) is a Reply to the Office communication.

Accordingly, under the above noted Rule, applicant requests reinstatement of this application and its return to the Examiner for further prosecution.

Enclosed is a check for \$250.00 (small entity) as required by 37 C.F.R. 1.137(a)(2).

If for any reason this petition is not acceptable under 37 C.F.R. 1.137(a), please accept it as a petition under 37 C.F.R. 1.137(b) on the grounds that the abandonment of

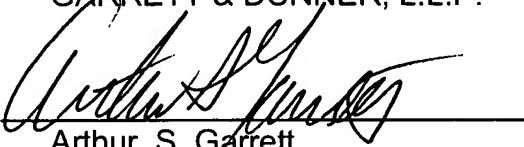

the application was unintentional and charge the additional fee required under  
37 C.F.R. 1.137(b)(2) to Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,

## Commissioner for Patents

The reply filed on October 12, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the reply did not address paragraph #3 of the Non-Final Office Action mailed 5/12/2004. Specifically, Applicant did not respond to the objection to the specification as required by 37 CFR 1.111 with regards to disclosure consistency (see 37 CFR 1.121(e)). Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a)
